

TODAY, I'VE GOT TONS  
TO BE GRATEFUL FOR...

Dear traveler,

As with travel planning and documenting, we absolutely love doing it the old way- with a pen and paper. We simply love the process of taking the time to prepare for it, not doing it in a rush, not multitasking. And the final result is so heartwarming. Your handwriting, your ideas, the time you dedicated to it.

This year, we want to encourage you to write a letter to your dear ones. To thank them, to show them your affection, to tell them how special they are to you.

Pick your fav template, print it out and fill it with your own words. Then send it by post or simply offer it to your loved ones. Success guaranteed!

Tag us on instagram with @timetotrawell and share which template you picked. We'd love to hear about it!

Show love and affection

Happy Valentine's Day!
